

LUMINAIRE FOR YOUR SECURITY CAMERA LAMP SNAP

CRYSTAL - ADAPTABLE LUMINAIRE FOR SENGLED SNAP

- Adjust the luminaire horizontally or vertically
- Available as a ceiling or track light

Use Crystal as the customized bulb holder for Snap, the LED bulb with a security camera inside. The adjustable bulb holder supports you to have a wider and better view range of any spot you are monitoring, in- or outdoors (e.g. under your canopy). Adapt the bulb holder easily according to your needs.
